INFORMATION DISCLOSURE STATEMENT

Sir:

This is an Information Disclosure Statement in accordance with the duty to disclose information material to patentability under 37 C.F.R. §1.56. Applicants submit herewith patents, publications or other information, of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The present application is a continuing application of U.S. patent applications S.N. 09/454,810 filed December 3, 1999 (the "Parent Applications").

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

Applicants wish to make of record the seven documents listed on the accompanying form PTO-1449. One copy of each reference is submitted herewith. It is respectfully requested that the Examiner initial the cited reference on the form and that it be made of record in the application and that a copy of the initialed form be sent to applicants with the first communication from the Examiner.

This IDS is being mailed before mailing of the first Office Action. Thus, no fee is due.

Respectfully submitted,

Thomas A. Gallagher
